

## SILVER STATE SYN BLEND HIGH MILEAGE MOTOR OIL

**SILVER STATE SYNTHETIC BLEND HIGH MILEAGE** is made with highly refined synthetic and conventional base oils, which are combined with specific seal swell additives that are designed to reduce leaks and prolong the life of vehicles with over 75,000 miles as well as newer passenger cars, light trucks, vans and sport utility vehicles. Compared with conventional oils, Silver State Synthetic Blend High Mileage will reduce sludge and deposit formation while sustaining viscosity at high temperatures. It will supply optimal engine performance in vehicles that have exceeded warranties.

**(Note: warranty protection requires following manufacturer's recommended drain intervals and viscosity grade).**

### BENEFITS:

- Seal conditioning agents help reduce or eliminate leaks.
- Helps enhance overall engine performance of older vehicles.
- Extra cleaning properties to handle essential engine parts.
- Resists oil loss due to volatility.
- Furnishes extra wear protection.
- Excellent oxidation and thermal stability.

### APPLICATIONS:

**Silver State Synthetic Blend High Mileage Motor Oil** meets the performance requirements of:  
API **SN Plus** and ILSAC **GF-5**

TYPICAL PROPERTIES				
SAE grade		5w20	5w30	10w30
Specific Gravity @ 60 °F	ASTM D-4052	0.855	0.860	0.884
Energy Conserving		YES	YES	YES
Gravity, ° API Report	ASTM D-287	34	33	29.5
Flash, °F	ASTM D-92	415	415	469
Pour Point, °F	ASTM D-97	-34	-34	-30
Viscosity:				
cSt @ 40 °C	ASTM D-445	62	62	68
cSt @ 100 °C	ASTM D-445	9	11	11
Viscosity Index	ASTM D-2270	122	171	153
CCS:				
CP @ -25 °C	ASTM D-5293			7000 max
CP @ -30 °C	ASTM D-5293	6600 max	6600 max
