CLEANERS & DEGREASERS

Available in 55 gal. drums or 275 gal. totes.

THREE FORMULAS... ONE CLEAN RESULT!

- Biodegradable Formula
- Color Safe
- Non-Flammable
- "Ultra" Concentrated Formula

Our water-based formulas dissolve grease & grime from almost any surface. Use Oil Eater® on shop floors, driveways, equipment and much more. Since they are "Ultra" concentrates they are perfect for light, medium or heavy cleaning. Just add water to meet your cleaning needs. Whether mopping, pressure washing, or parts cleaning, our freshly scented formulas let you clean both indoors and outdoors without that "chemical" smell. Better yet, our proprietary anti-corrosion chemistry means you don't need to worry about damaging surfaces.

These products are so safe that they can be used on carpets and clothes yet are so effective they are used by industry throughout the world. All Oil Eater® products carry our unconditional money back guarantee!

USE THE VERSION THAT'S BEST FOR YOUR NEEDS!

Safely Dissolves Grease & Oils on Most Everything!

OIL EATER® OVERNIGHT STAIN REMOVER

*"Winner of 2022
dapex
New Product Showcase"*

Oil-Eating Microbes Clean Beneath the Surface

- Pulls out oil stains in 3 effortless steps: apply, dry & sweep away
- Helps restore concrete, brick, asphalt & more
- Restores fuel pads, parking garages & driveways in 12 hours
- Designed to protect the Environment

Oil Eater® Overnight Stain Remover uses oil-eating microbes to penetrate deep beneath the surface, seeking out oil & grease carbons. Just apply, let dry and brushes off stains entirely without scrubbing. Outperforms cleaning products on porous surfaces like concrete, brick, stone and wood.

OIL EATER® PARTS WASHING FLUID – HEAVY DUTY NEUTRAL

Safe to Use in Existing Microbe Colonies

- Compatible with multiple microbe based parts washing machines
- Rust & corrosion inhibiting formula
- Can be used in conventional parts washers
- Water based and pH balanced
- Works great in heated machines
- Tough on grease – Easy on hands
- Ready to use – Just add to your parts cleaning machine

Oil Eater® Parts Washing Fluid – Heavy Duty Neutral is a cost effective replacement for overpriced neutral parts washing fluids. This powerful, ready-to-use solution is non-corrosive, water based and eliminates the need for harmful solvents. When used in oil remediating machines Oil Eater PWF reduces the hassle and the cost of hauling away hydrocarbon contaminated liquids.

Oil Eater® Parts Washing Fluid – Heavy Duty Neutral is proven safe for use in microbe based and conventional parts washers.

Available in 55 gal. drums or 275 gal. totes.
