

RUGGED MULTI-PURPOSE LITHIUM GREASE

Rugged Multi-Purpose Lithium Grease is high quality multi-purpose grease for industrial and automotive use. The lithium thickener makes it suitable over a wide temperature range. The extreme pressure additives make it ideal for even tough jobs. This grease is **not** recommended for disk brake wheel bearings.

Advantages:

- Water Resistant
- Rust & Oxidation Inhibited

TYPICAL PROPERTIES		
NLGI GRADE		#2
Soap Type	ASTM D-128	Lithium
Color	Visual	Grey/Black
Dropping Point, °F	ASTM D-2265	350
Oil Viscosity,		
cSt @ 100 °C	ASTM D-445	11
cSt @ 40 °C	ASTM D-445	143
4 Ball Weld	ASTM D-2596	315 min
Timken OK load / lbs	ASTM D-2509	40
