DIESEL**

SILVER STATE

MOTOR OIL

SAE 0W-20

HIGH PERFORMANCE

dexos™ D
GM APPROVED - DIESEL

Product # SS020DXD

Silver State EURO Full Synthetic Diesel Motor Oil is formulated with synthetic base stocks and robust additive packages that provide the maximum level of protection against engine wear, rust, corrosion, oxidation and thermal breakdown. Silver State EURO Full Synthetic Diesel Motor Oil also includes a special viscosity index improver and pour point depressant designed to provide a high degree of protection under severe temperature and operating conditions.

Silver State EURO Full Synthetic Diesel Motor Oil meets a variety of European diesel specifications including those of API, ACEA, General Motors, Mercedes-Benz and Opel. For other products meeting different European diesel and gasoline motor oil specifications please go to our website at www.Colopetro.com.

- API SP, SN Plus, SN
- ACEA C5
- GM dexosD™
- MB-229.71
- Opel OVO401547

- Exceeds car manufacturer's requirements for maintaining warranty validity*.
- Meets or exceeds the latest automobile manufacturer's recommendations*.

*Warranty protection requires following manufacturer's recommended drain intervals and viscosity grade.

**DON'T POLLUTE. CONSERVE RESOURCES.
RETURN USED OIL TO COLLECTION CENTERS.**

CAUTION: Continuous long-term contact with used transmission fluid has caused skin cancer in animal tests. Practice good personal hygiene. Wash skin with soap and water.
